TOWLE'S SOUTHWIND

**OF ALL TABLE FLATWARE,
STERLING REIGNS SUPREME**

***Sterling silver has always
symbolized prestige***

Centuries of women have presided proudly over tables set with Sterling. There has never been — and is not today — any substitute for its patrician presence on your table. Sterling is unmistakable: It has a depth, a color, a patina that nothing can successfully imitate.

***It is economically sound to start
with Sterling***

All TOWLE Sterling is solid silver. This means that its beauty will never wear off, that it is durable, withstanding generations of constant use, never to need replacing.

***The TOWLE pattern you choose
today will always be obtainable***

... so you can always add to your collection. And authorized TOWLE stores are chosen for personal integrity and reliability, so you can buy from your TOWLE dealer with confidence.
